

Cash

Operated by the well-known and trusted Oxxo chain of convenience stores, with 22,000 stores nationwide. The scheme is easy to use. The customer chooses Oxxo Pay at the online checkout. This generates a unique code, which she takes to a participating Oxxo store. Once she pays, the online merchant ships the item she's bought.

Why OXXO Pay?

Almost 20% of online payments in Mexico are made using Oxxo Pay.

Users don't have to print a barcode, making the service easier to use.

Real-time notification of payment status helps smooth the payment journey.

How it works?
