

Bank transfer

Founded in 2004, Przelewy24 is a Poland-based real-time online bank transfer payment method, often referred to as P24. Bank transfers are the most popular payment method in Poland where there is only 19% card penetration (PPRO Almanac) and P24 is one of the most popular payment methods in Poland covering all major consumer banks. Consumers choose their bank and log-in to their online banking to complete payment.
