Why iDEAL?

iDEAL cite a 71% market share in the Netherlands, making it easy for merchants to reach millions of Dutch consumers for their e-commerce purchases.

iDEAL is accepted by merchants in over 60 countries outside of the Netherlands.

According to iDEAL, consumers spend more than €30 billion a year using iDEAL. Around 130,000 e-commerce merchants accept the payment method. Dutch consumers use it to make more than 50 million purchases a month.
