Why Floa?

FLOA Pay leads the European BNPL market with 68% of Europeans using payment installments and deferred payment solutions, making it easy for merchants to offer flexible payment options that meet widespread consumer demand for budget management tools.

FLOA Pay is backed by BNP Paribas, leading European Bank, providing merchants and consumers with the financial security and innovation capabilities of a major banking institution while maintaining the agility and customer focus of a fintech solution.

Major brands across Europe including travel, fashion, electronics, and home appliance retailers trust FLOA Pay for their consumers installment payment needs, with studies showing that 60% of French users would switch brands to access BNPL options, driving significant conversion rate improvements for merchants.
